

PATENT

Docket No: H102001USU2 (P01018USU2)

REMARKS

Claims 1-36 are pending in the present application. Claims 1-36 are rejected. In this Amendment, Applicant has canceled claims 1-36 and added claims 37-96. New claims 37-96 are believed to be fully supported by the application as originally filed. Accordingly, no new matter is believed to have been added. Applicant respectfully submits that new claims 37-96 are patentable over all prior art of record. Therefore, Applicant respectfully requests that new claims 37-96 be entered and allowed.

In addition, Applicant has made several minor amendments to the specification to correct typographical errors and to improve clarity. These minor amendments are believed to be fully supported by the application as originally filed. Accordingly, no new matter is believed to have been added.

CONCLUSION

In light of the above amendments and remarks, it is respectfully submitted that the present application is now in proper condition for allowance, and an early notice to such effect is earnestly solicited.

If any small matter should remain outstanding after the Patent Examiner has had an opportunity to review the above Remarks, the Patent Examiner is respectfully requested to telephone the undersigned patent attorney in order to resolve these matters and avoid the issuance of another Office Action.

Respectfully submitted,
